Form 990, Part III, Line 1 - Organization Mission

The Child Abuse Network, Inc. (CAN) exists to reduce the trauma that a child abuse investigation can pose for the child. Before our program came into being, children frequently endured stressful examinations and numerous interviews by various agencies, often in cold, sterile facilities.

Today CAN delivers a highly effective alternative bringing multiple agencies together in a single, safe and comforting environment for children in crisis. CAN enables medical, mental health investigative and legal professionals to work together under one roof to provide less traumatic investigation and to determine whether child abuse has occurred.

Philosophy:

Child abuse damages our community's most vulnerable citizens, and often has generational implications. In the context of violence, child abuse is a public health problem that presents complex social and moral dilemmas concerning its cause, effect and remedy. Addressing child abuse requires a comprehensive plan with multiple, coordinated strategies.

Vision: (revised 2013)

To be the foundation for the most effective community response to reported child abuse and provide children a turning point on the pathway to healing.

Mission: (revised 2013)

To provide collaborative intervention services to child abuse victims, so that they are encouraged to embrace a future driven by hope.

MEDICAL EVALUATION SERVICES:

Medical Evaluations (754/year - 63/month); Specially trained child abuse pediatricians and a nurse (LPN) from the University of Oklahoma School of Community Medicine (OU) provided child abuse medical evaluations at the Child Abuse Network. By coordinating with DHS and/or law enforcement, CAN assures that medical evaluations are conducted as part of a child abuse investigation, thus avoiding multiple exams by different providers.

Medical findings assist investigators in determining whether abuse has occurred.

Additionally, the child-friendly medical experts often relieve any anxiety that children may have about the health of their body.

Form 990, Part VI, Line 11b - Form 990 Review Process

Form 990 is reviewed by the Finance Committee and provided to the Board of Directors before the return is filed.

participate in, or be present during, the deliberations and decision making of the organization with respect to such action or transaction. The Interested Party may, upon request, be available to answer questions or provide material factual information about the proposed action or transaction;

The disinterested members of the board of directors may approve the proposed action or transaction upon finding that it is in the best interests of the corporation.

The board shall consider whether the terms of the proposed transaction are fair and reasonable to the organization and whether it would be possible, with reasonable effort, to find a more advantageous arrangement with a party or entity that is not an Interested or Affillated Party:

Approval by the disinterested members of the board of directors shall be by vote of a majority of directors in attendance at a meeting at which a quorum is present. An Interested Party shall not be counted for purposes of determining whether a quorum is present, nor for purposes of determining what constitutes a majority vote of directors in attendance; and

The minutes of the meeting shall reflect that the conflict disclosure was made, the vote taken and, where applicable, that the Interested Party abstained from participation and voting.

As detailed in the Policy, the following procedures are used in addressing violations of the Policy:

If the board of directors has reason to believe that an Interested Party has failed to disclose an actual or potential conflict of interest, it shall inform the person of the basis for such belief and afford the person an opportunity to explain the alleged failure to disclose.
